1st June 2022

Dear Friend,

We hope that you have enjoyed being a member of The Friends of Montclair and the few events which have taken place over the past year. It's been so nice to see people at our events this year, after the extended period of isolation.

Your membership is due to expire on 4th July 2022. We hope that you will renew so that you may continue to enjoy the quality events we hope to offer in the coming year. Only with your support can we continue to offer such a varied program.

The membership subscription is still just £6 **per person**.

Yours sincerely,

Lori Burdett

Membership Secretary
